Larry,

I wanted to send this to you to let you know how much we appreciate your hard work and dedication to our company. We have done several projects with you, and without a doubt you are the best General Contractor we have ever used. Your attention to the small things is what I think sets you apart from your competition.

Not only were you able to complete the projects on time (early in most cases) but you were able to see cost savings for us and let us know what we needed to do in order to stay within our budget. Not many contractors will do that, and we appreciate you for being on our team!

I would appreciate being able to talk with prospective clients about the way you handle your business, I know that no matter how big or small of a job you are willing to go the extra mile for your clients, and it is very easy for me to recommend you.

We look forward to the next project with you in the very near future!

Sincerely,

Michael Lindsey
